**TIOGA COUNTY AGRICULTURAL ASSOCIATION, INC.**

The Tioga County Agricultural Association, Inc. is a non-profit, all volunteer organization formed solely for the purpose of promoting agricultural and educational exhibits through the Tioga County Fair. It is through the combined efforts of the Cooperative Extension, Farm Service Agency, and the many volunteers that the Tioga County Agricultural Association is able to continue to contribute much needed services to the community. The 15 members of the Board of Directors work all year maintaining and upgrading the grounds and buildings through various fundraisers and activities. These include rental of the buildings and grounds, facilities for RV and boat storage, square dances, and other activities. As a county-wide organization, we recognize the importance of each and every volunteer and donation.

Please read before making entries into the Tioga County Fair, PA Fairentry system or via paper entries.

1. This is a County Exhibition. All exhibitors agree to be bound by the rules of the Tioga County Agricultural Association. Exhibitors must reside, go to school or belong to an agricultural organization within Tioga County. All entries must be grown, produced or made since the last fair.
2. The fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Use of alcoholic beverages and/or drugs will not be permitted.
4. Reasonable care will be taken to protect all exhibits on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
5. All exhibits will be under the direction of the Tioga Co. Fair Board. In no case will the fair be responsible for any loss, injury, or damage done or occasioned by, or arising from any animal exhibited by the exhibitor. Upon this condition only are entries accepted.
6. Entries will be made according to classification. All entrants must fill out an official entry via <https://www.fairentry.com/Fair/SignIn/21099> or entry blanks found in the middle of the fairbook.
7. Exhibits in Departments 18, 19, & 23 must be entered between 12 p.m. and 4 p.m. on Saturday, August 2, 2025. Judging for these Departments will be held on Sunday, August 3, 2025. Exhibits in Dept 12, 13, 14, 15, 17, 20 and 23 must be entered between 12:00 p.m. and 4:00 p.m., Sunday, August 3, 2025. Judging for these Departments will be held on Monday, August 4, 2025. This includes Grange and other Group Exhibits. **NO EXHIBITS WILL BE ACCEPTED AFTER 4:00 P.M. SUNDAY, AUGUST 3, 2025**
8. All exhibits listed in rule #7 will be released on Sunday, August 10, 2025 between 10:00 a.m. and 2:00 p.m. Premium checks will be issued at that time.
9. ALL LIVESTOCK (including those listed for competition in the Jr. Dairy Show) must be on the grounds by 3:00 p.m. Monday, August 4, 2025. Open Dairy Show Exhibitors must have all animals listed for competition on the grounds by 4:00 p.m., Thursday, August 7, 2025, but may also come in Wednesday, August 6, 2025 between 6:00 p.m. and 9:00 p.m. ALL ANIMALS listed for competition shall remain on the premises until 8:00 p.m., Saturday, August 9, 2025.
10. NO PREMIUM CHECKS WILL BE ISSUED UNTIL STALLS ARE CLEANED.
11. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in the class than the number of premiums offered. The judges may, at their discretion, award a prize or prizes of such grade as the exhibit deserves.
12. Appropriate ribbons will be awarded winners in the various classes and cash prizes paid as stated in the Premium List.
13. Stickers indicating placing will be placed on exhibitor's card.
14. No exhibitor may enter more than ONE EXHIBIT in each division of the class, with the exception of livestock classes. No duplicate entries accepted for the sake of entering in more than one class.
15. If the fair management believes any of the exhibits were shown in previous years, those entries may be refused.
16. Possession of a ribbon is not sufficient evidence for cash awards; the record of the treasurer shall be final evidence.
17. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of award, is proved. In such case, the Superintendent, Manager, or Secretary of the fair or such referee as he may appoint, may make the decision with his approval. The case may be appealed to the Fair Management or Show Commission from whose decision there can be no appeal.
18. It shall be the responsibility of the exhibitor to make known the PROPER NAME of the article or breed of livestock entered. ANY ITEM ENTERED IMPROPERLY WILL BE DISQUALIFIED. The judges will mark the correct name on the entry tag for the benefit of the owner. NO ENTRIES MAY BE MADE IN CLASSES NOT LISTED IN THE BOOK on <https://www.fairentry.com/Fair/SignIn/21099>
19. The Superintendents reserve the right to bar from competition animals, vegetables, flowers, and products of decidedly inferior quality and those not possessing sufficient merit to warrant recognition.
20. The Fair Management may, at any time, order the removal of any exhibit unfit for exhibition. NO EXHIBIT MAY BE REMOVED AT ANY TIME BEFORE THE CLOSE OF THE FAIR EXCEPT BY CONSENT OF THE MANAGEMENT. Exhibitors shall forfeit premium money for early exit without a release from the Fair Management.
21. Judging is viewed as an educational process and the public is encouraged to view the judging event. DEPARTMENT SUPERINTENDENTS MAY ENTER EXHIBITS IN THEIR OWN DEPARTMENTS, but neither they nor any other exhibitor or his agent shall communicate with the judge during time of determining the awards, except to answer questions proposed by the judges. Any exhibitor interfering with the judges while making awards shall forfeit any premium to which he would otherwise be entitled.
22. All livestock offered for premiums must be the property of the owners for thirty (30) days or longer.
23. No person shall be allowed in the ring while stock is being judged, except judge, superintendents and necessary attendants.
24. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position if in the opinion of the judges, the animals are worthy of such prizes.
25. Overfitting of livestock will be discriminated against. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
26. When on exhibition in the ring, each animal must be under halter and under control of owner or employee.
27. Joint ownership considered to be as one owner in accordance with registration papers.

**Section 20: Pennsylvania Dogs:**

**Requirements:**

- A current rabies vaccination is required for all exhibition dogs 12 weeks of age or older.

**Recommendations:**

1. All rabies vaccinated dogs must be accompanied by a rabies vaccination certificate. The certificate must contain legible name, contact information and signature of the veterinarian who administered the vaccine. A copy of the rabies certificate is acceptable.
2. All animals are free of evidence of infectious and contagious diseases.

**Section 21: Out of State Dogs:**

**Requirements:**

1. Proof a current rabies vaccination is required for all exhibition dogs 12 weeks of age and older.
2. A Certificate of Veterinary Inspection (CVI) written within 30 days of importation. Exemption: a person may bring one or more dogs into Pennsylvania for show or other demonstration without a CVI for a period not to exceed 30 days provided that each dog is equipped with a collar bearing a name plate giving the name and address of the owner.

**Recommendations:**

1. All rabies vaccinated dogs must be accompanied by a rabies vaccination certificate. The certificate must contain legible name, contact information and signature of the veterinarian who administered the vaccine. A copy of the rabies certificate is acceptable.
2. All animals are free of evidence of infectious and contagious diseases

**GUIDELINES FOR CARE OF ANIMALS**

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

**A. Restraining Animals**

1. Animals should be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
2. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
3. Animals should be tied so that they are not able to injure animals tied near them.
4. Animals unaccustomed to each other should not be penned together.

**B. Handling** - Any type of rough handling which could harm the animal is prohibited. The use of whips, canes, and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

**C. Bedding** - All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

**D. Feed & Water** - Animals should be well fed and have access to clean water regularly. Realizing that many market animals must have restricted amounts of feed to maintain the proper weight, animals must be fed adequate amounts of feed to meet the animal's basic requirements. Animals not allowed reasonable access to feed and water will be disqualified from the show.

**E. Transportation** - Animals should be transported in a way that is both safe and considerate of the animal's well-being.

**F. Blanket/Sweat Collars** - Any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.

**G. Health** - It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited. If medicine is indicated, be sure to follow the label directions and allow more than the stated withdrawal time.

## BLUE RIBBON APPLE PIE CONTEST

### INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2025 EVENT

Each county/local fair is encouraged to conduct a 37th Annual Blue Ribbon Apple Pie Contest at their 2025 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2026 PENNSYLVANIA FARM SHOW.

**RULES** for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual <b>amateur</b> baker who is a Pennsylvania resident. One entry per person.		
2. Entrants may <b>NOT</b> have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2025.		
3. The Apple Pie, including fillings and crust, must be <b>made from scratch with edible ingredients</b> . <u>No</u> prepackaged ingredients may be used ( <i>ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.</i> ) Any decorations must just be edible.		
4. Recipe <b>must include at least 60% apples in the filling</b> . It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.		
5. The entire pie must be submitted for judging in a food safe disposable pie pan. ( <i>All pans, plates and dishes are considered to be disposable and will not be returned.</i> )		
6. The Pie entry and its recipes will become the property of the Fair or PA Farm Show and will <u>not</u> be returned		
7. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 ½” by 11” sheets of paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the <u>back side</u> of all the pages.		
8. Refrigeration is <u>not</u> available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.		
9. Judging will be based on the following criteria:		
		<u>Tioga County Fair Premiums</u>
Flavor	35 points	
Filling (consistency, doneness, moistness & flavor)	25 points	<b>First Place - \$25</b>
Crust (color, flavor, texture, doneness)	20 points	<b>Second Place - \$20</b>
Overall Appearance (surface, shape, size, color)	15 points	<b>Third Place - \$15</b>
Creativity	<u>5 points</u>	
TOTAL	100 Points	

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2026 PA Farm Show and will receive the Official PA Farm Show Certification Entry Form directly from the PA Fairs Special Baking Contest Committee.

*NOTE: If an individual has already won 1st place at another fair in 2025 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2026 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

*First Place Winner is eligible for the 2026 PA Farm Show competition.*

#### Premiums for the 2026 PA FARM SHOW competition

### RULES & REGULATIONS

(Refer to General Rules)

1. All exhibits must have been done by exhibitor.
2. All exhibits must be original work (no tracing, no paint by numbers, no computer aided or generated art, no computer graphics.)
3. For the security and safety of your art work, all drawings and paintings of watercolor and pen & ink with oil roughing must be matted, framed under glass and equipped with PICTURE WIRE on the back for hanging. All paintings of medium other than above, including those of oils and acrylics, must be framed and equipped with PICTURE WIRE on back for hanging. No saw tooth hangers or other hangers not compatible with display system. Exception — no glass or frame is required if exhibit is on stretched canvas and the sides are finished in a manner that compliments the artwork. However, PICTURE WIRE hanging required as above.
4. For the safety and security of your artwork, all photographs must be framed under glass and be 8"x 10", matted increasing size to 11"x14". Matting material must be separate from the frame — not a part of the frame itself. No float frames. All photographs must be equipped with a device to enable photograph to be hung.
5. Any photograph with date and time stamps will be disqualified.
6. Names will be covered until judging is completed.
7. Only one entry per class for each exhibitor. No duplicate entries accepted for the sake of entering in more than one class.
8. No entries by professionals as defined by receiving \$3000 annually or 10% of their income from the sale of their work. No work can be entered for which compensation has been received.
9. Criteria for Judging: interest, degree of difficulty, simplicity, framing, technical skills, rule of thirds, balance, lead lines, mergers, overall visual appeal, etc.
10. Best of Show will be awarded at the discretion of the judges. Rosette only.
11. Exhibits must never have been entered in past fairs.
